INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 CFR §§ 1.56 and 1.97, the Applicant takes this opportunity to call to the attention of the Patent and Trademark Office documents that may be material to the prosecution of this application.

This paper is being submitted prior to the issuance of any first substantive Office Action for this application. Accordingly, no fees are due in order to ensure consideration of the cited documents.

The documents the Applicant believes are material are listed on the attached Form PTO-1449.

Four documents are listed on the Form PTO-1449, Page 1. These four documents are the documents that were cited by the European Patent Office in the International Search Report from the Patent Cooperation Treaty application on which this application is based. The World Intellectual Property Organization should have already forwarded copies of these documents to the U.S. Patent and Trademark Office.

Accordingly, the Applicant does not now provide duplicate copies of these documents. If, however, the documents are not in the file for this application at the time it is considered by the Examiner, a call to the undersigned attorney will result in prompt delivery of replacement copies.

The documents listed on the From PTO-1449, Page 2, are provided with this paper. One of these documents is the International Preliminary Examination Report is for the underlying PCT application. In the International Preliminary Examination Report, British Patent Document, No. 2 208 025 was discussed. A copy of this document is enclosed. The remaining two documents are published PCT applications. These applications are discussed in the background section of this application.

Further commentary regarding the relevancy of the cited references is not believed necessary at this time.

Respectfully submitted,

David S. Goldenberg
